Your use of this Website, including the content, materials and information available on or through this Website (together, the "Materials"), is governed by these Terms of Use (these "Terms"). By using this Website, you acknowledge that you have read and agree to these Terms. Who We Are This Website is maintained and operated by 10xF (“Surge” or “we”), which is operating under the “Surge” brand and is being advised by an investment advisor. In accordance with industry custom, this Website occasionally uses terminology that may be interpreted to suggest that our firm is actually a single entity. However, there is no such single entity and all of the entities that comprise our firm have their own separate legal existence.

Materials Except for certain Materials as may be provided through a password protected area on this Website (see below), ALL MATERIALS ARE PROVIDED "AS IS," MAY NOT BE RELIED UPON FOR ANY PURPOSE, AND ARE NOT SUBJECT TO EXPRESS OR IMPLIED WARRANTIES OF ANY KIND. In particular, except to the extent that Materials provided through a password protected area on this Website are subject to different rules, we make no representations or warranties with regard to the Materials' accuracy, completeness, non-infringement or fitness for a particular purpose. You should be aware that a significant portion of the Materials include or consist of information that has been provided by third parties and has not been validated or verified by us. In connection with our investment activities, we often become subject to a variety of confidentiality obligations to funds, investors, portfolio companies and other third parties. Any statements we make may be affected by those confidentiality obligations, with the result that we may be prohibited from making full disclosures. Without limitation on the effect of other warnings and disclaimers set forth in these Terms, you should interpret any statements we make (on this Website or otherwise) in that context. Please ensure that your own computer security is comprehensive and up to date. We accept no responsibility for viruses, malware or other malicious or damaging software contained in the Materials or otherwise.

If you access Materials through a password protected area, please note that the written agreements between you and the applicable legal entities, as well as any provisions set forth in those Materials, govern the parties' respective rights and obligations with regard to those Materials. In particular, Materials provided through a password protected area generally are confidential and subject to limitations on disclosure and use, and Surge individuals/employees/consultants and affiliates generally have limited liability with respect to the accuracy and completeness of such Materials.

No Offer, Solicitation or Advice Except to the extent expressly set forth in Materials provided through a password protected area on this Website, or as otherwise specified in writing by a duly authorised representative, nothing on this Website is intended to constitute (i) an offer, or solicitation of an offer, to purchase or sell any security, other asset or service, (ii) investment advice or an offer to provide such advice, or (iii) a basis for making any investment decision; or (iv) a promise/undertaking to invest or provide financing. Except as expressly stated by a duly authorised representative in writing, neither this Website nor any of the Materials make any effort to present a comprehensive or balanced description of Surge's investment activities.

Any plans, information and other materials you submit outside of the aforesaid application process, and without execution of a non-disclosure agreement may be used or disclosed for any purpose and in any manner, as we determine in our sole discretion. Please consider this carefully before sending us any information or other materials that you deem confidential or proprietary outside of the formal application process.

Our rights under these Terms may be waived by us only in writing. These Terms are binding on you as well as your successors and permitted assigns. In the event any provision of these Terms is determined to be invalid or unenforceable, such provision shall be deemed severed from the remainder of these Terms and replaced with a valid and enforceable provision as similar in intent as reasonably possible to the provision so severed, and shall not cause the invalidity or unenforceability of the remainder of these Terms.
